Applicant believes that the Examiner will have no difficulty in agreeing that the Amendments and Remarks below overcome the objections and rejections made in the Office Action. If that is not the case, the Examiner is asked to call the undersigned (650-854-6304), in the expectation that Applicant will be anxious to resolve any remaining issues without the necessity of an appeal. If the Examiner does indeed find the application to be in condition for allowance, a telephone call to that effect would be much appreciated.
